1. Introduction

1.1. The Derby Safeguarding Adults Board (SAB) is multi-agency strategic partnerships, which ensure and oversee the effectiveness of arrangements made by individual agencies to safeguard adults who have care and support needs or are experiencing, or at risk of experiencing, abuse or neglect.

1.2. The Derby Safeguarding Adults Board vision is:

"We will work together to enable people in Derby to make choices to stay safe and to live a life free from fear, harm and abuse."

1.3. For the vision to become a reality, safeguarding must become 'everybody's business', and the following six safeguarding principles agreed by the Government and stated within the Care Act 2014 need to be adopted by all organisations as a foundation to achieving good outcomes for adults living in Derby.

- **Empowerment**

People being supported and encouraged to make their own decisions and informed consent.

- **Prevention**

It is better to take action before harm occurs.

- **Proportionality**

The least intrusive response appropriate to the risk presented.

- **Protection**

Support and representation for those in greatest need.

- **Partnership**

Local solutions through services working with their communities. Communities have a part to play in preventing, detecting and reporting neglect and abuse.

- **Accountability**

Accountability and transparency in safeguarding practice.
